The Heart Foundation of Malaysia

The Heart Foundation of Malaysia is registered under the 1966 Societies Act. It aims to carry out social activities that bring awareness of the dangers of heart disease to the public.

Among the activities carried out are:

1. Talks on heart disease and heart health by medical specialists
2. Talks on the importance of balanced diet by nutritionists
3. Health checks and awareness programmes in secondary schools and public places
4. 'Heart week', 'Walk-A-Mile' and 'World Heart Day' Programmes.

The Halfway House

The Heart Foundation of Malaysia also maintains a **Halfway House**. Here accommodation is provided to help families of patients who come from areas outside Kuala Lumpur who accompany patients receiving treatment in the Institute Jantung Negara, Hospital Kuala Lumpur and the neighbouring hospitals. Preference is given to the poorer and low income families.

This Halfway House provides nice and comfortable accommodation facilities and quality service, which includes security service, 24-hour emergency service and transport to and from IJN.
